“ I am so very sorry for the recent loss of your loved one, Ricky Lynn Taylor. I have a brief encouraging message that I would like to share with you from God's Word the Bible. The Bible can be a great source of both comfort & hope during this most difficult time in your lives. For an example, at Revelation 21:3-5 it assures us that the day is soon coming when our most loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and that even pain & death will be no more. I hope after reading this it will be of some comfort to each one of you. If later you would like to learn more from the Bible about why we die or why does a loving God allow so much suffering & injustice, please feel free to go to the website: [www.jw.org](http://www.jw.org) to find satisfying answers.

“ My heart goes out to the entire Taylor Family. Always remember the wonderful times that you spent with him. Please find comfort in what the Bible says about the opportunity of seeing our love ones again under the very best of conditions: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:26, 28, 29)

For more comfort please see <http://www.jw.org/en/publications/books> under all items type in "When Someone You Love Dies" Brochure.
