“ *Papa as I sit here thinking about all the memories we made and shared over the past 23 years I laugh and cry. I told you all weekend and months ago that I thank you for loving my momma, us girls and our kids. You will be missed but I do know as I finish my time here on earth you will be beside me in spirit. I will see you again one day and when that day arrives you better be ready to take me hunting. I love you Papa and like I promised you this weekend I will take care of momma for you. Love Christy Lynn*
