“ Benny was one of those special people. After you met him for the first time, you were a friend. He was always smiling and offered sincerity in showing he really cared for people. I am certain this was much stronger within the family, and I will have you in thought and prayer during this hard time. Try to cling to all the good memories and realize he is in a far better place.###imported-begin##B. J. Petty###imported-end##

“ Anita and kids,

I know that man was placed in your lives years ago to be more than just a husband. He became a father, and then a PaPaw. He filled his purpose well. He was stronghold and support for all of you while being soulmate to his wife. He loved others radiantly. Yes, he is leaving a huge void here, but he is also leaving an indelible mark on this side of life. I am certain he has now heard the words, "well done, good and faithful servant". I love all of you and will be praying for your peace and comfort.##imported-begin##Cindy Norrid Cox##imported-end##
