“ We are so sorry for your loss. We know Bill as a quiet but humble man. He always had a smile and was eager to talk. We will always remember the fun times at the campground, drinking, talking and laughing. He will be very much missed. Ken & Mary Jo Jurasz

“ *It's a sad time.  
We will miss Uncle Bill so much.  
He was always at camp for hunting season and Thanksgiving with his Upper Michigan family. (don't forget Pecan Pie).  
Bill and Val were real Troppers riding the woods in the side by side and cooking great hamburgers. Calling for a generator for camp when the snow took out the electricity.....Having to run up there and tell them to get out before the big snowstorms hit.  
Bill and Janet loved camp, and don't forget the tractors.... always a tractor to fix.  
The time the wind took a tree down by camp that went right through the roof of the Traylor when Val was in there.  
Many, many memories and wishing there would of been more time for more naps in the blind and those special drinks at night.*

*Camp will always hold Janet and Bill close to all of us.  
It was a gift having them both in our life.*

*Love.*

*Bill and I were friends for many years We shared many happy times at camp hunting and fixing tractors and Thanksgiving dinners at Bob and Cathy Stone's house. We took many fishing trips together and went to many Nascar events. We spent hours just enjoying each other's company. You will truly be missed. Goodbye, Bill
