“ Please accept our sincerest condolences for your loss. It's never easy to lose a loved one, but when their so young it really breaks your heart. At times like these we so appreciate the comforting thought in Revelation 21:4 where tears pain and death will be no more. Thoughts from our Lord give us so much comfort at times such as these. Our prayers are that you find comfort from his word also. Sincerest Sympathies###imported-begin##Tom Layton###imported-end##

“ I watched BJ grow up over the years through the visits to the my parents house, the cook outs, and the fish fries. He would always dive into my video games and have a blast . I can't believe you are gone little Cousin Don't seem fair or real . It has not even been 2 months since he was a pallbearer at my own Mothers funeral. About a week or so after my Moms funeral I received a message from BJ asking me how I was doing and telling me to hang in their . Well that made my day, the most distant thing in my mind would be seeing you go this soon. I guess god really needed you for something important . I will truly miss you little cuz and will always be great full for what you did.

With love always

Your cousin

“ Billy Joe and I went unknown to each the other for too many years, but in coming together the last couple of years, we shared a few brief minutes of kinship that shall last forever. I shall cherish our last meeting and the discussion we had regarding his hopes and aspirations for the future. I'm greatly saddened and angered that I will not be a witness to the fulfillment of those dreams. There will be emptiness in my heart for years to come, but I vow never to forget Billy Joe and ask that he drag his feet a little until I can catch up! May God's Blessing be bestowed upon Billy Joe. My deepest sympathy is extended to the family during this time of great sadness.##imported-begin##Wes Tanner##imported-end##
