“ Wydell, I hope you knew how much my brother and I Loved you. You made our childhood so much fun. No children have ever built more roads, ponds and grand mountains than the three of us and Your Tonya Toys. We roamed deep into the woods for hours, we climbed countless trees, we drank out of mud puddles, smoked wild grape vine and corn shucks (both were horrible and dangerous 😬) we ate homemade biscuits made with real lard and fresh milk topped with homemade butter. We caught lightenbugs, and splashed in makeshift kiddie pools (clothed to our knees of course, Nanny's rules) 😊 We walked many miles to the Cloverdale store for a piece of candy, if we were lucky maybe some rag bologna and crackers, we didn't have enough money for a drink, hence the reason we drank out of the puddle on the way back home. We always pretended to "Ride the ruts" the drive way was always a mess and it was a automotive challenge for the adults to not get stuck in the low ruts! lol. and Laughter..... Oh my Holy GOD could you make us laugh. Armpit farts, knee farts and your laugh was funny itself. You Laughter always made me 😂 ..... Forgive me for letting life pull us to distantly. Please enjoy being with Nanny, Anna & Uncle BeBe again. One day, one day we can all be together at our best and LAUGH until we can't hardly breathe. May GOD grant you everything you were denied by this earthly life, may it be granted in Heaven. YOU WERE LOVED. Libby 🌹
