“ To the family,
We are sorry to hear of all the struggles that Jacque had to endure toward the end of her journey. I have so many momentous memories of her at the diner! She could really be a hoot, never cracking a smile or changing the tone of her voice - always speaking her mind - take it or leave it! She was one of few that could do that in an admirable way...##imported-begin##Cindy Norrid Cox and girls##imported-end##
