“ Joey was a good friend to Jerry and I. He was always there when we needed him. He had an awesome personality. When he worked on our heating and cooling unit, he always did it right and to me he under charged for the work he did. Joey you will always be in our hearts. All I see at this moment is your smile. RIP Joey.

“ *I have been a friend of the family for nearly 40 years, I hung around joeys momma and daddy when we were younger. I know one thing for sure, joey was her heart when he was born. As he grew to become a young man his daddy and momma were proud. Joey was a smart, very caring and good man. I'm privregdled to know. Fly with the angels joey, til we all meet again.*

“ To the Family of Joseph Flatt, I am so sorry for your loss. I first met Joseph in 2003 when I rented a house to Joseph, Dana, and the girls. Joseph greatly impressed me with a level of maturity well beyond his years, his character, and his ability to do nearly anything. I don't think I have ever met another young man as responsible or as gifted as Joseph at such an early age. I am sure he will be greatly missed by all who knew him.
