I am so sorry for your loss. There are many fond memories of her, working at the grocery, her smile, playing basketball with the Cloverdale women and always doing things for people. I know how much you'll miss her. There is no one that loves you like your Momma.

“ I have great memories of the trip out West we took with Joyce and Joe many years ago in a camper. Joe did the cooking and kept us laughing all the way. We enjoyed many games of Rook together through the years. She was my dear friend. My prayers are with all of you.
