“ I've been so afraid of losing you and still don't know what happened. Wish they would get the autopsy report back. So ill. Know. Something to let our family know this is so very hard

“ She's a very considerate woman. She loved people with all her heart. I took her in for awhile and I never ever regretted it. She showed me and my grandson Devin Cozad so much love. She told me I was like a mother to her and I so happy I could touch her heart like I did. I will always love you and miss you and promise to never forget you ❤️ rest in peace my girl
