“ *She was a very sweet lady. I never seen her, that she didn't have a smile on her face. Family I know you will be missing her. But think of all the good memories. She was always talking about her family, Dana, Travis , Leslie, you were so blessed to have her as your Mother. Danny I know what it feels like to have your mate, go before you. There will be times when you will say I wished I had done this or that, or said this or that. But just remember the love you had for each other. I'm praying for you.*

“ *So sad to hear of Kathy's passing. We were cousins but also friends. I have great memories of she, Rita, and Gloria spending summers in Obion with their grandmother, my Mom's sister. My brothers and I so enjoyed being with them and that continued on through out our lives. She was always helpful and caring and family, Kathy will certainly be missed. Keeping Danny and the family in my thoughts and prayers. Cecelia Callis (Rawdon)*
