“ Gwyn,
My deepest sympathy goes out to you, Jay, Marla and grandchildren on the loss of your mother, grandmother and great-grandmother. I have a lot of fond memories of the good times we had at you house when we were kids. I also remember to great time we had when Lamott, Sue, you and I went to Las Vegas. We had so much fun laughing at Lamott and Sue. We will always have the memories. I bet everyone in Heaven knows she is there. I can just see Lamott and Mama laughing and talking together. May God place his arms around you and comfort you. Remember the good times, they will help you through the sad times.##imported-begin##Carolyn P. Cook##imported-end##

“ Gwyn---I just wanted you to know I was thinking of your family. Your mom was such a special lady. Some of my most vivid memories as a child are of she, your grandparents and Ed. I never was around "Mott" that I wasn't made to feel special. I am thankful that had a the privilege of knowing her. Unfortunately we had a school board meeting last nite (lasted until 10:30 p.m) and then another one at 7:30 a.m. this morning--so I wasn't able to pay my respects in person. But I wanted you to know how I felt---Jimmy##imported-begin##Jimmy Smith##imported-end##

“ I worked with LaMotte at the Union City Daily Messenger for several years and really enjoyed our friendship. She was such a devoted mother to Gyneth Jo. My prayers are with you.##imported-begin##Mitzi Brummel Moran##imported-end##

“ I am sorry to hear about LaMotte passing. However, her time was not very enjoyable here on this old earth anymore. I loved her in such a special way - I had so much fun with her here at The Etheridge House! I would always put Hershey or Copper in the bed with her - she loved dogs and always got perked up when I brought mine up here. I could tell so many funny stories about her now, but I will save them for a time when you are needing a good memory to get you through a hard day without her. I love all of you very much.##imported-begin##Cindy (Norrid) Cox##imported-end##
