“ *The right words to express our feelings for "Miss Linda" are hard to find. In the time that my family lived nest door to Linda, Ken and Paul, she touched our lives in many wonderful ways. Miss Linda was a dear, dear friend. We were blessed to know her.*

“ Linda is my cousin and we grew up together as "sisters." I have so many wonderful memories of our time together. And I am so glad we had one last opportunity to be together while she was in the hospital. I will sorely miss her!
