“ I send my deepest sympathy to the entire Gray family. Do not forget the wonderful times that you shared with her. Please find comfort in knowing what the Bible says about God’s yearning to bring your loved one back to life again right here on the earth: “If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning. (Job 14:14, 15)
