“ I'll always remember the warmth and respect that great Aunt Margie conveyed to others. She was respectful to everyone, no matter how young you were. This was a very admirable part of her character. Whenever I stayed overnight at her place in her later years, I enjoyed her dinners which consisted of bowls of cooked vegetables and ended with a slice of her scrumptious coconut cake or other sweet that she cooked from scratch. Her living such a loving, hard-working and decent long life gives pride to the whole family.

“ Condolences to the Bullion family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says Jehovah God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.

“ *Aunt Margie and uncle willie were some of the best people I have known. They are a big part of my growing up. Your dad was so funny. Some of my fondest memories are going to the station where your dad would buy me a coke n aunt Margie would let me pick out a candy bar. She was good to my kids too. They loved picking apples with her and eating pineapple cake. I miss her but my momma is so happy for their reunion in heaven.*
