“ *I had the wonderful opportunity to meet Martha through my mother, Barbara Long, who did her hair for many years. Periodically I would take her and Miss Evelyn to get groceries and what not and on every trip she had to make sure I had a coke. What a wonderful soul. My fondest memory is this, at the end of every trip she would ask "whatcha cooking for dinner"? I would tell her whatever it was for the day and her reply was always "Mmmm, I bet that's good"... Thank you Martha for the wonderful memories, I know you loved that dog of yours, your sister, and pretty much everyone you have ever met. You will be missed. I pray for your peace in the loving arms of God. "Mmmm, I bet that's good"...* ”

“ Molly always had a smile on her face and was super nice to kids. I saw her about 15 or so years ago when I visited Obion. She remembered me which made me feel very special. People like Molly are who made Obion such a special town. She will be missed by many. There will be another shining star in the heavens. ✨✨🌙

“ *Ms. Martha would come to our house when we were around 8 years old. She came on Sunday and picked Gayla and myself up for church. She first took us to her house to have breakfast with their mother. Ms Evelyn would get ready then and we went down town to a building I think used to be a furniture store. She always kept up with me and Gayla. Never failed to ask about Gayla every time I saw here. Ms. Evelyn worked in the Drug Store. I remember being amazed at how fast she could make a bow for a present. I love those two. They left a lasting impression on two girls from Obion.*
