“ *The day God called you home, he looked around his garden and found an empty place. He looked down upon the earth and saw your loving face. He put his arms around you and lifted you to rest. His garden must be beautiful because he always takes the best. He knew that you were suffering . He knew you were in pain and knew that you would never get well on earth again. He saw your path was difficult. He closed your tired eyes and whispered "Peace be thine" and he gave you wings to fly. When we saw you sleeping , so calm and free from pain we would not wish you back to earth again. You've left us precious memories. Your love will be our guide us. You'll live on in our hearts, you're always be at our side. It broke our hearts to lose you, but you did not go alone, for part of us went with you on the day God called you home.##imported-begin##Mom and Dad##imported-end##*

“ To our precious son. Matt, We love and miss you so much. Life will never be the same without You. We enjoyed being together and doing things as a family. Our hearts are broken. When you were buried in the ground they buried a part of me with you. We are so thankful that we have two precious grandsons, Nicolas and Cameron, that you will live through them. Each time we are with them we will fill your presence. I know that you are happy and at peace in heaven with Jesus and not hurting any more. One day soon we will see you in heaven. God's grace helps us make it one day at a time. We serve a wonderful, gracious God who has promised that he will never forsake us. Thank you Jesus for lending us our son to enjoy and love for thirty-two years.###imported-begin###Mom and Dad###imported-end##
