“ *So sad to see that Nancy has passed away! I have known Nancy since high school and went to church with her at Greater Vision. She used to spend the night with me when we were in me in high school and I babysit her boys when they were little. No matter where we were in life, we were friends. RIP, dear friend!*

Nancy was a beautiful lady with a gorgeous smile. I hadn't seen her in years, the last time being at the flea market in Union City. I wasn't aware she had been ill, and will be praying for her family. RIP, Nancy, until we meet again. 💕💕
