“ *Danny and family: I only learned of your mother's death after the fact but I want you to know I am very sorry to learn of her passing. I remember her as a kind and lovely lady who was a customer of Ledbetter's Market in Obion in the late 1950s and early 60s when I worked there as a high school student. I had many pleasant conversations with her and always thought she was a very special lady. Please accept my belated but sincere sympathy in your loss. Roger T. “ *Dear Danny, Mary and Vanessa, I am sorry for the loss of Mrs. Nezzie, yet happy because she is out of all pain and in heaven with her family, especially your father. Can you imagine their reunion after so many years. Mrs. Nezzie was truly a sweet, kind and a dear friend. I shall always remember seeing her smiling face at church. She always had a kind word for everyone. Vanessa was her little angel and I believe that love helped her to live a longer life. I have never heard an unkind word about Mrs. Nezzie and that is a wonderful tribute for her. Everyone loved her. Remember I am always here for you if you ever need me. “ *Dear Danny&family, What a wonderful, long life your mother led. In the over 40 years I knew her, she was always a person who spent her time on earth doing and saying only goodness and kindness. I have lots of memories of her gentle spirit, sense of humor, fairness, love of her family, and active Christian faith. I first learned to cook Southern foods from her and her recipes. Distance did not dim her closeness to Grif and Owen; they have so many fond memories of their visits with her on the farm. You gave her the greatest gift, your presence, in her last years. Remember all the happy moments, of which there were so many. That would please her. Love and prayers, Pam Tate##imported-begin##Pam Tate##imported-end##*
