“ *Doris, Jeff and Virginia,
We were so sorry to hear of the death of your Mother. I remember her, as a child, and she was a very sweet lady. (especially to put up with me when I'd come spend the night and cry to go home) Just know we are thinking about your family and all of you are in our prayers. “ *Dear Burpo Family---I am so sorry that I did not make it to the funeral home for visitation. I only found out about the arrangements after the funeral. Miss Oma is one of those persons can I can't ever remember not knowing from childhood. I always remember Mother & Daddy stopping by to see she and Mr. Richard when we lived near them and even after we moved to Hwy 21. I was always glad to count your family among my friends and I value that family friendship even today. Please know that you are all in my thoughts and prayers---Jimmy##imported-begin##Jimmy Smith##imported-end##*
