“ *Becky, I am so sorry you are having to deal with this type of tragedy twice in your life. I pray for our Heavenly Father to carry you through this storm and place you gently on the other side of it. Time won't change anything, but it does dull the pain to a more bearable ache. And He allows the good memories to override any bad ones so that we can once again experience sunshine and laughter. God bless you, sweetie.*##imported-begin##Cindy (Jones) Cox##imported-end##
