“ The one thing out of everything me & Ann done together that always made me & her laugh was when me & her hitchiked from TX to TN. Even on Friday me & Ann were able to have a video call with each other and she laughed so hard talking about that journey we took. I will never forget that last call with her nor will I ever forget the precious memories I have of Ann. She was a sister to me always and I'm sure going to miss her..My condolences sent to each & everyone that knew & loved Ann. Rest In Peace Dear Angel
