“ *I will remember my uncle as happy and always smiling. My last memory was talking with him at an auction down in Tennessee. He will be missed.*

“ I have many memories of Wilburn from when I was growing up, but a memory that stands out for me is more recent. When I came back from Chile to Kentucky in 1987 from playing basketball, I brought my wife Marina with me and we were living with my mother and had few prospects. Wilburn took it upon himself to put in a good word with the plant manager where he worked (Gurien Finishing) so that we could get jobs. When we needed a car, Wilburn talked to Nelson Auto and convinced them to sell us a car. When I was off from work with a leg surgery and having a yard sale to get by, Wilburn came by at the end of the day and bought everything that we had left to help us out. He was always so good to us while we were in Kentucky and willing to help in any way he could. He was always more than an uncle to me, he was like my brother.

You might be gone Wilbo, but you will never be forgotten and always deeply loved by those whose lives you have touched. I know that you touched ours in countless ways of which I was able just to name a few. May You Rest In Peace.

All our love and deepest sympathy and condolences go out to all of his family, to all those that are kin, those that we know, and those that we don't know. We are very sorry for your loss and may God's love give you peace at this difficult time.

Love,
