“ So many years have gone by since I was with any of your family. I have wondered from time to time how each of you were getting along. I was sent a note about Williams death from a sibling. I was surprised to see that so many of his siblings have passed on. Kathy, Carol and Charles in our family has gone on too. I pray that each of you have had a good life and that you are all healthy in body and spirit. God bless, Linda Batchelor Basham 11-14-21
