“ Jade and I were saddened to hear about Tony's passing. When I think of Tony I can't help but remember his great sense of humor, our "energetic" theological discussions, his calm demeanor, and of course his great cooking. He was all about family and friends. He will surely be missed. Our hearts are with you and your family.##imported-begin##Mitch Bailey##imported-end##

“ To the Caughron family, I am sorry to hear of the passing of Tony my coworker for at least 10 years. Tony was truly a person that loved to laugh and took pride in his ability to Cook and Eat. For that reason he was Parker's honary chef / grill master. He made the best pulled pork sandwiches. I had the honor of working with Tony at Parker Hannifin in both Memphis, Tn and Troy, Mi. I have plenty of memories of Tony's as part of the General Motors business unit, we will be forever bonded through funny work situations and memories. Tony also was a Church of Christ member who was passionate and firm about his belief. For his belief and way of life, he reside in a better place.##imported-begin##Demetrius Morris##imported-end##
